2015 Director's Annual Report

Greetings From the New Director

I'm very excited to be a part of the South Park community. Thank you to everyone who has taken the time to introduce themselves to me, show their support of the library, and generally make me feel welcome here.

I see this report as a starting grounds for taking an already great library and making it that much better. I am committed to following the mission of South Park Township Library: The Hub of Lifelong Learning. With that in mind, 2016 will be a year to set goals for the future of the library so that it can grow with the community that it serves.

I look forward to meeting the patrons of the library and helping make it a place that enriches the community.

Sincerely,

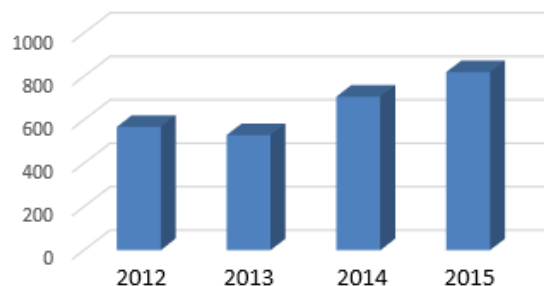

Amanda DeKnight, Library Director

Annual Library Visits

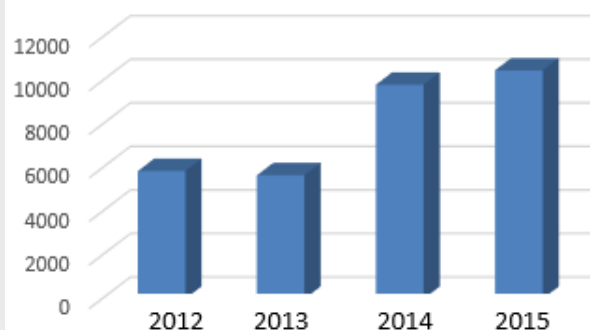

Annual library visits are down slightly from the previous 3 years. The library will create a plan to increase visits.

Yearly Programs

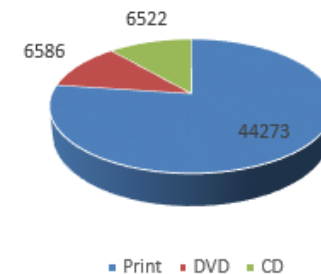

Despite less visitors to the library, there was a significant increase in both programming and attendance. We anticipate that this trend will continue in 2016 with additional Adventurer trips and increased senior programming.

Program Attendance

Our Library Has

Our library contains approximately 57,500 physical items which is about 4 items per capita based on the most recent census.
